

The School of St Yared

Issue 21, January 2016

Fighting Poverty Through Education

We want to introduce you to a very special 13 year old boy, **Charlie Grodski**, who heard Yared talk at his school in August last year and decided he wanted to help in his own small way. Charlie decided that instead of gifts at his Bar Mitzvah, he wanted all his guests to donate money to The School of St Yared. Charlie's selflessness raised an incredible \$6611! This is an incredibly mature and thoughtful gesture from Charlie. From all the boys and girls at St Yareds, we thank you Charlie for being an exceptional role model to your peers.
