

Top Class at Bialik

A/JN STAFF

AFTER receiving fantastic results in their VCE marks in drama last year, Bialik College students Jordan Sandler and Paris Newman have been selected to perform in this year's Top Class Drama program as part of the VCE Season of Excellence.

Sandler, who is in year 12, and Newman, a recent graduate of the school, will be presenting their solo performances that saw them achieve fantastic results in the subject last year.

Showcasing some of the talented students from across the state in a range of subjects, the VCE Season of Excellence is a prestigious honour for both Newman and Sandler, who were active performers in the college's many musical productions.

The exhibition recognises the highest-scoring VCE drama students from 2015, and only 27 students were selected from across the state to present their solo performances.

Both performed in the school's production of *High School Musical* last year, with head of drama at Bialik Eli Erez commending them for their achievements.

He said Newman and Sandler's solo performances were "outstanding and highlight their tremendous skill in transforming character and object".

Complimenting the entire VCE

Bialik College graduate Paris Newman from last year's production of *High School Musical*.

drama cohort, Erez added, "Their remarkable results last year were a clear reflection of their dedication, persistence and talent."

Jordan Sandler will be performing on Monday, March 21 at 10.30am and

Paris Newman will be performing on Tuesday, March 22 at 2pm.
