

International Women's Day with Bialik

YEAR 12 students Ruby Bouhadana and Elana Forbes from Bialik College

attended Monash University's International Women's Day event earlier this month.

The event was in celebration of women, and year 12 students from across the state were invited to take part.

They had the opportunity to hear from motivating speakers, shmooze with

high calibre women and empower each other in the inspiring atmosphere.

The speakers told the young women about their challenges and triumphs in pursuit of their careers, before the girls attended a workshop where they networked with like-minded students, discussed their values and how to stand up for what they believe in.
