Bialik's Bailey wins at ACMI

YEAR 10 Bialik College student Bailey Marr capped off an exciting year when he was announced as the winner of the 2016 Australian Centre for the Moving Image (ACMI) Screen It competition last month.

The teenager won the senior (years 9-12) video game category with his game *Adventures of the Lost Treasure*, which was also presented at the annual Bialik Art showcase.

Marr has been working on the game over the course of the year and was presented with his award at the ACMI "Screen It" red carpet award ceremony.

The ceremony was hosted by the hosts of the ABC's *Good Game* television program Bajo and Hex.
