

Spreading love at Bialik

WITH plenty of love to give, Bialik College students celebrated Valentine's Day last month by raising funds for Save a Child's Heart foundation.

The senior leadership group organised a stall for the day selling chocolates and flowers for students to either enjoy themselves or to help spoil a special one, with all proceeds going to the charity.

With the student population coming to school dressed in red, students also enjoyed a post-school "open-air cinema" treat, watching a movie under the night sky with all movie ticket proceeds going towards the fundraising total.

Save a Child's Heart is a not-for-profit organisation based in Israel, known for saving lives by improving the quality of cardiac care for children from developing countries.
