

## Bialik students hit Google HQ

THREE year 9 Bialik students were recently rewarded with a visit to Google Headquarters in Sydney. Jemma Zuker, Shailee Carmeli and Nitsan Shavit were awarded first place in the 2016 Search for the Next Tech Girl Superhero, and second place for the national prize.

They received an all-expenses paid visit to attend the launch of the 2017 competition at the tech giant. They also had the opportunity to meet with IT and tech professionals and enjoyed the fun working environment for which Google is renowned.
