BIALIK

Hairspray a roaring success

AFTER months of preparation, Bialik wrapped up their secondary school production of *Hairspray* after performing in front of more than 1600 people across four shows last month.

Students worked tirelessly for what was described as an outstanding musical.

"The vocal performances were astounding and the dance routines were energetic and full of expression," principal Jeremy Stowe-Lindner said on the final night's performance.

"The students can be commended on a production that was professional, rich with humour and full of fun."
