

# Raising money for Pink Ribbon

A TOTAL of \$2500 was raised at a recent Bialik College breakfast to raise money for the National Breast Cancer Foundation.

Organised by the Tikkun Olam group from the year 12 leadership, more than 150 people from the Bialik community – including teachers, students and parents – attended the breakfast.

“We had an outstanding number of people offer to donate as well as speak about their personal experiences with breast cancer,” year 12 leader and organiser Tania Szwarcberg said.
