

Bialik welcomes Melbourne Victory

STUDENTS at Bialik College were lucky enough to hear from Melbourne Victory goalkeeper

Lawrence Thomas when he visited the school last month.

Thomas spoke to students about all the hardships and success he experienced on his journey to a professional football career.

The visit was part of a day where students came to school dressed in their favourite sporting team's colours.

Gold coin donations and sport-themed cookies were sold to raise funds on the day.

The money raised was donated to the Reagan Milstein Foundation which provides sporting equipment to those less fortunate both in Australia and around the world.
