BIALIK College's year 8 and 9 teams have enjoyed a series of victories in Eastern Independent Schools of Melbourne championships during the past week, with wins in tennis, volleyball and hockey.

In tennis, singles wins to Gabe

Zafrin, Ben Harris, Jett Samuels and Brad Waislitz guided the Bialik Wolves to a 6-3 overall scoreline in the final round to secure the title.

Meanwhile, almost the entire Bialik student body came out to support the volleyball side in their bid for glory against Knox College.

The overwhelming support seemed to inspire the Bialik boys, while Knox didn't stand a chance, the home side

winning in straight sets, 25-9 and 25-17.

With a 1-0 victory against Plenty Valley in the grand final, it's Bialik's hockey team that rounds out the winners list.

Elijah Goldman was named best on ground in a tightly-contested match, with Bialik's clean sheet thanks to the strong form of keepers Noah Krongold and Gid Goldberg.
