

**Valentine's Day at Bialik College.**

## **Love is in the air**

BIALIK College celebrated Valentine's Day last week by raising money for Israeli organisation Save a Child's Heart.

Dressed in red or pink, years 2 to 12 brought a gold coin donation to support the initiative that provides medical relief to every child, regardless of race, religion, gender or nationality.

There were various activities organised for the students, including baking cookies, writing poems, love letters and dancing. Heart-shaped cookies and lollipops were also sold to contribute to the fundraising efforts.
