As we head into the fourth term, Bialik Primary School students are gearing up for their major production, Aladdin. The Year 4 and 5 students have the opportunity to be on stage as leads and chorus as well as being part of the crew where they can be involved in backstage, lighting, audio-visual and effects. Students also form the band in which they accompany providing accompaniment to the show.

Another event on Bialik's Visual and Performing Arts calendar is the Annual Art and Design Showcase from Monday 12 October to Friday 16 October which features the work of every Bialik Art and Design student from Year 6 to Year 12. The Showcase is a much-anticipated exhibition, as the works on display are of outstanding

quality and exceptional standard, testimony to the inspiring culture of Arts at Bialik.
