Primary Cross Country – Kew District 2009

On Friday 15 May, the Bialik College Primary Cross Country Team competed in the Kew District event at Victoria Park in Kew. In total Bialik had 60 runners on the day who had qualified through our own trials at school which were hotly contested. Therefore all students who competed are to be congratulated on making the team.

The course was quite difficult with some peculiar twists and turns and one energy sapping hill. The team spirit was evident as our students made strong finishes past the mob of schools on the fence line and the determination shown by all was most pleasing.

In total seven students qualified for the Zone Cross Country on the 3 June at Yarra Valley racecourse. These include:

Kyler Hilton who was first in the 11 year old boys' competition which is a magnificent performance.

Saul Williams

Tennis	Knox Gold	Won	9-0	Brilliant team effort
Hockey	Knox Gold	Tie	0-0	
Basketball	No game			
Soccer	Knox Gold	Won	4-1	Natalie Saunders

Year 7 Soccer – girls

The girls faced up to Knox this week after a disappointing 2-2 draw last game against Kingswood. The game was hard fought, with Knox scoring first after some good team play. The Bialik defence was working overtime to keep them out. Malehna Gochman and Ester Paykin were solid defenders throughout the first half, and after some hard work, Bialik equalised the scores through a great goal to midfielder Lexi Kowal.

The second half continued in a similar vein. Bialik were beginning to get on top, as players like Jemma Roseman and Sienna Fitt showed determination to continually push the team forward.

A second goal was scored by Rochelle Vizelman, and with the scores now reading 2-1 in Bialik's favour, a more defensive outlook was adopted by the team's 'brains trust'. The team showed how much they notice the 'trust', however, by scoring a further two goals in the dying minutes to eventually score a resounding 4-1 final score.

Hayley Mrocki scored goal number three, before the final goal was scored again by Rochelle. After some fantastic passing from player to player, the game finished on a high note.

Best players overall:

Natalie Saunders: A great game as the new goal keeper. She was confident and assured throughout the game.

Sienna Fitt: Another tireless performance by the aptly named Fitt.

Rochelle Vizelman: First game back after injury, Rochelle finished off very well.

Year 8 & 9 Basketball – boys

First official game of the season and the boys were pumped. Kingswood, usually a worthy adversary, were no match for the skill and athleticism of the well drilled Bialik side.

Although the team will not be getting ahead of itself, it is fair to say that they were a class above the opposition. Gabi Palti produced his usual all round display with 9 points, 8 rebounds and 6 steals, just another day at the office for Gabi! Jeremy Pamamull was outstanding off the bench, providing some excellent work on the offensive glass.

The boys are starting to understand the offensive structure and what is expected of them, but the one thing that we need to ensure is that we are physically tough. Finishing strong in the lane and dominating both the offensive and defensive glass are paramount to our success

Year 8 & 9 Football – boys

Bialik played their first game of the season after some mixed results in the pre-season competition. Kingswood arrived at our new home ground hopeful of a win, and in the first quarter, the contest was even, with Bialik controlling the play, but failing to convert significantly on the scoreboard.

Daniel Cohen was controlling the play at Centre Half Back, while ruckman Orren Chabat was strong and decisive, landing the ball on the chest of young rover Mikey Rechtman many times during the quarter.

Bialik took a one goal lead into quarter time and a 5 point lead at the half, as Kingswood continued to compete hard. Players like Eli Swart, Alex Eidelman and Rommie Shustin all showed??? out for Bialik, with the mark and goal after running back with the flight from Swart being one of the highlights of the first half.

The second half saw Bialik start to slowly take control of the game. After taking a ten point lead into the final change, a five goal last quarter saw an eventual comfortable victory.

Players like ruck rover Jacob Kingston, Jeremy Forbes, Justin Berkowitz (3 goals), and of course, hard as nails centreman David Zulman all had a major hand in the final result; a 40 point triumph to Bialik.

Final score Bialik 11.7.73 Kingswood 5.3.33

Best Players: Cohen, Chabat, Shustin, Zulman, Kingston, Forbes, Rechtman

Goals: Berkowitz 3, Kingston 2, Goodman 2, Forbes 2, Swart 1, Slade 1.

Senior Soccer – boys - reported by Daniel Shandler

An eleven man, weaker than potential Bialik outfit took to the field against a stronger and improved King David team who were looking for retribution from the 11-1 thrashing they got two weeks earlier.

With inspirational captain, Ryan Milstein, leading the way from defence, Bialik looked like they couldn't put a foot wrong, except put the ball in the back of the net. When utility player, Eitan Ritz put the ball in the back of the net, the floodgates seemed to have opened.

With Ritz on fire scoring a hat-trick and the Goldbaum twins not missing a beat and putting a few goals past the keeper a piece. It was the skill of midfielders, Strimling and Lahat and defender, Shandler to close off the scoring sheet. Keepers, Lifson and Fryde did not have much to do, although their good communication skills helped the team. Debutantes, Chait and C.Milstein played very well and fit straight into the line up.

Bialik seems to be a force not to be reckoned with this season. The 10-0 victory was the second clean sheet of the season.

Senior Basketball – boys

Unfortunately, King David turned the tables on our first round clash and inflicted our first defeat for the season. Although there is no excuse for the loss but injuries to both Eitan Dankner and Jake Milgrom certainly made the task difficult and with many players in foul trouble, we only have ourselves to blame for the loss. The positive out of the game was that we now know the impact early foul trouble can have on the outcome of the game. Hopefully our mental approach to those types of situations will be improved. Ari Palti was again outstanding, playing fearlessly, attacking the basket with reckless abandon. The time has come for the team to draw a line in the sand and realise that the future success of the team is dependant upon total commitment to the cause.
