# Ideal conditions for Maccabi Championships

THICK fog, a maximum temperature of -2 degrees and a massive amount of fresh snow made for ideal but challenging conditions at Mt Buller's Skyline course earlier this month for the 2018 Maccabi Snow Sports Championships.

Ninety athletes from NSW and Victoria competed in skiing and snowboarding across six age groups at the annual tournament, run by AJAX Ski Club.

Adina Wolters was honoured with a special award for her contribution to Jewish skiing events as a volunteer for more than 15 years.

The tournament was managed by Auscamp and sponsored by Michael Coppel Theatrical, with additional sponsorship of participation awards by Safety Dave.
