OUR COMMUNITY IN THE SPOTLIGHT

## the moment

BIALIK College broke a Guinness World Record when more than 1048 students and staff joined together to create the world's largest human menorah in celebration of Yom Ha'atzmaut. The project also resulted in a video which has since gone viral in Australia and Israel. "At Bialik, we wear our Zionism as a badge of pride and the wonderful feedback and encouraging comments we've received for our giant menorah has given our children a sense of pride in seeing their efforts rewarded," said principal Jeremy Stowe-Lindner.

## Bialik Creche

# OPENING 1 JULY, 2019
