BIALIK COLLEGE

WE farewell our graduating class as a warm, inclusive and very high achieving year level who contributed to every aspect of school life. The results also reflect the commitment and hard work of the students and their dedicated teachers:

- 7 per cent of students scored 99 or above, placing them in the top 1 per cent of the state, while another
- 7 per cent of students attained a score of 98 or above, placing them in the top 2 per cent of the state;
- 59 per cent scored 90 or above, placing them in the top 10 per cent of the state;
- 7 perfect study scores of 50 were achieved across four subjects.

“Chaim Nachman Bialik encouraged us to
זַע אֶת אֲנִי וְכֹחַי” “Step forth with courage” into the

world. All students should be equally proud of their results. To ‘be your best’ is to work your hardest, achieve your potential and contribute positively to the community. We could not be prouder of all of our class of 2018.
