

Premier's VCE Awards for Bialik Students

BIALIK COLLEGE

Four Bialik College students received top honours at the annual Premier's VCE Awards ceremony, which took place on Monday 3 June.

The College is thrilled to acknowledge Naomi Bagle-Zevin, Hannah Grodski, Lee Oz Lifschitz and Sienna Tugendhaft for their remarkable achievements.

Naomi Bagle-Zevin earned the Study Award for her achievements in Religion and Society and Hebrew, Hannah Grodski for Religion and Society and English, Lee Oz Lifschitz for Religion and Society and Sienna Tugendhaft for Studio Arts.

When asked how she felt about

receiving the prestigious awards, Naomi Bagle-Zevin said, "Winning the VCE Premier's Awards for Hebrew and Religion and Society made me feel not only extremely proud of myself and the hard work I put in, but also of Bialik as a school. Beyond doubt, my success can be attributed to my amazing teachers who guided and encouraged me throughout the whole year."

In 2018, Bialik College topped the State for VCE scores for the second time in three years.

More than 250 of Victoria's best and brightest students were recognised at this year's Premier's VCE Awards ceremony.
