Joy for young Georgie

THE youngest competitor at the 2019 Australian Jewish Inter-Schools Championships, held recently at Mount Buller, was Bialik College kindy kid Georgie Jolson (pictured), who is just four.

She came third in the girls' division 6 (which includes competitors up to age 10) and received a special mention for being the youngest entrant, making her parents Amanda and Antony very proud. Georgie is a regular skier at Mount Buller, and is in its Ski Squad program this winter.
