

# MakerDojo's Term 3 Holiday Programs

**9.00am - 3.00pm**

**(extended care available upon request)**

**Ages: 5 years +**

**Booking: [makerdojo.com.au](http://makerdojo.com.au)**

### 26 September - Maker Slimey

Make Ooblek, a magic sometimes running and sometimes solid slime. Make your own galaxy slime. All the slime is child safe and you get to take your slime home.

### 03 October - Maker Airborne

Create a variety of catapults and structures to destroy using birds. Not real birds! It's your chance to knock things over and destroy them!

### 27 September - Maker Makey

Learn to code with Makey Makey. Make a piano from fruit and play Super Mario with vegetables. Make your own "Operation" game or a piano staircase.

### 04 October - Maker Arcade

Make your own "Kerplunk" game. Design and make other games. Make a collaborative giant "Kerplunk game". All from recycled materials.

**Venue: Bialik College**  
407 Tooronga Rd, Hawthorn East

**Contact Details:**

0435 743 403 | 0421 640 602

### 05 October - Maker 3D

Build your own 3D model and world. Capture your model in 360 degree vision. Using VR goggles, you can then be fully immersed in your own 3D world.
